Joint Review Panel

Additional Information Request Responses

Cover Letter

Table of Contents

Abbreviations

1.0 Cumulative Effects

2.0 Environmental Baseline Information

3.0 Other Actions To Be Considered

4.0 Accidents and Malfunctions

5.0 Process-Affected Water

6.0 Reclamation of Forest Vegetation

Appendix A: Traditional Land Use – Review of
Information Sources

Appendix B: Accidents and Malfunctions

Attachment B.1: Likelihood and Potential Consequences

Additional Information Project Update

Table of Contents

Abbreviations

1 Introduction

2 Geology/Hydrogeology

3 Mining Criteria and Site Layout

4 Mine Plan

5 Process

6 Tailings Management

7 Utilities, Infrastructure and Offsites

8 Water Management

9 Emission Sources

10 Environment, Health and Safety Management

11 Closure, Conservation and Reclamation Plan

12 Design Considerations

13 Project Implementation Plan

14 Environmental Assessment

15 Socio-Economic Assessment

16 Public Consultation

Additional Information Project Update - Appendices

Appendix A: Joslyn Lease Hydrogeological Program

Appendix B: Health, Safety and Environment Policy and Sustainable Development

Appendix C: Air Quality Supporting Information

Appendix D: Fish and Fish Habitat Supporting Information

Appendix E: Groundwater Supporting Information

Appendix F: Human Health Supporting Information

Appendix G: Hydrology Supporting Information

Appendix H: Acoustics Supporting Information

Appendix I: Soils and Terrain Supporting Information

Appendix J: Water Quality Supporting Information

Appendix K: Vegetation Supporting Information

Appendix L: Wildlife Supporting Information
